COMPANY OVERVIEW

About Us

At M. HIBH, we specialize in providing a comprehensive range of tires for a diverse array of machinery and vehicles. From Heavy-Duty Wheel Loaders, Excavators, Front-End Dozers, Drilling Rigs, and Dump Trucks to Scrapers, Motor Graders, and Heavy Cranes, we have the perfect tire solutions to ensure optimal performance and safety. Our extensive inventory also includes tires for Pneumatic Tire Rollers (PTR), Vibratory Rollers, Forklift Trucks, Heavy-Duty Trucks, Light Trucks, as well as Jeeps and Cars. Whatever your needs may be, trust MHIBH to deliver high-quality tires that meet the rigorous demands of your equipment and vehicles.

OUR PROCESS

Mission

Our mission is clear: to become one of the leading suppliers of tires, tubes and flaps in Pakistan, offering a diverse range of products tailored to meet the needs of all types of machinery and vehicles. Whether you're in search of durability, performance, or affordability, M. HIBH is a trusted partner for all tire needs.

Vision

To be recognized as a trusted leader in the tyre trading industry, known for innovation, excellence, and a commitment to enhancing mobility and driving experiences.

We pride ourselves on adding real value to your business with:

- Focus on the long term
- Deep product knowledge and technical expertise
- Age-old relationships with manufacturers
- State of the art supply chain Progresses
- New product development based on market feedback
- Value-for-money pricing
